CITY NEWS.

NOTICE TO PATRONS.—Those who desire the Monday issue of the Democrat left at their residences will please notify the carriers or leave word at the office. The Monday edition will contain, beside the telegraphic news of Sunday night, all local and general news of interest up to the hour of going to press.

NOTICE.

Recollect that the Hon. C. A. Wickliffe, Democratic candidate for Governor, will speak at Shelbyville next Saturday, at one o'clock.

We also expect that he will speak at the Barbecue at Gillman's Point to-day.

POLICE PROCEEDINGS—Thursday, July 23.

The prisoners' bench this morning was crowded with prisoners of all ages, sexes, and colors, who were presented on various charges. The first case called was that against Scott Roberts, Napoleon Roberts, and Geo. Roberts, free negroes, for assaulting Green Watson, a slave of Charles Miller. Bail of each in \$200 for one year.

Julia Higgins and Margaret Connelly were next presented on the charge of stealing about \$40 and a silver watch from John E. Winchester. The case was continued until to-morrow morning, and the parties re-manded.

Geo. H. Krack and John Hegin, two of the gang of forty thieves, were presented, charged with stealing \$100 in money, and 10 papers from a small news boy named Gottlieb Meyer. They were discharged.

William Huley, charged with drunkenness and disorderly conduct. Sent to the work-house for six months, in default of \$100 security.

Henry Withrow was presented charged with assaulting Officer Jos. Sweeney. He was required to give \$100 security to answer.

The next case was that against Thos. O'Brien, who was accused of shooting at and wounding Jacob Unz. And examination was waived, and O'Brien gave security in \$200 to answer a misdemeanor.

J. T. Upton was next presented charged with drunkenness and disorderly conduct. He was required to give bail in \$300 for six months.

William Scott, f. m. c. and Jack Coleman, a slave of Mr. Zane, were both presented for being drunk and disorderly. The free boy was fined five shillings and costs, and ordered to be imprisoned until the fine be paid. The slave was ordered to receive seven stripes.

A number of peace warrants were disposed of.

THE BARBECUE.—The grandest barbecue ever given in this or any other county will take place to-day at Mr. Floyd Parks' grove, one of the most beautiful spots in Kentucky. The candidates will all be there; a host of pretty young ladies will be there; plenty of nice young men will be there; good music will be there; in fact, everything and everything comfortable and pleasant will be there—we'll be there. The trains start out at 7:30 and 9 o'clock this morning, and the cost of the round trip has been fixed at thirty cents. We expect to hear that this mammoth barbecue will eclipse anything of the kind ever given in the State. Go on, go on, for it will be grand affair. Peace, pleasure and plenty will welcome you, and we urge you to be present.

CITY COUNCIL.—Both Boards of the City Council were in session last night. The railroad committee, granting the privilege of running a street railroad from the corner of Fourth and Main streets out Fourth to Green, up Green to First, and out First to the city limits passed both Boards. They also passed a resolution advising an election in the Fourth ward on the first Monday in August for Alderman, to fill the vacancy caused by the resignation of Arthur Peter. The bonds of Charles Juno, recently elected wardens, were approved. Both Boards then adjourned to meet again next Thursday night.

One of the United States detectives was knocked down Wednesday night, on Hancock street, near Marshall. He was arrested a woman, or trying to, when four soldiers, belonging to the Invalid Corps, attacked and beat him. He fired at the rascals, when they ran, one of them taking the detective's hat. They will all be caught and punished.

The Adams Army Express Company are building a new and spacious depot alongside of the Nashville depot. This is a good idea. A track has been laid down, and the business of this mammoth company can be carried on without any interruption whatever of the Nashville depot or railroad.

Lost.—A lady two or three days ago dropped her portrait on the corner of Fourth and Main streets. It contained some twelve or fifteen dollars. Any one who may have found it, and will return it to Ben. Durrett's corner of Fourth and Water streets, will confer a great favor.

A horse attached to a buggy, in which two gentlemen were seated, ran away on the road below Park Barracks yesterday and upset the buggy, throwing the gentlemen out into the road without hurting either seriously. "Dust him, art, etc."

PERSONAL.—Col. Dan. McCauley ("fighting Dan") is in the city, en route for his regiment, now in pursuit of Johnston at Jackson, Mississippi.

The fleet Countermine will be up-to-day, and will return to Memphis Sunday morning. She is fast.

We noticed the guards out yesterday picking up soldiers who couldn't show passes.

THE SPECIAL ATTENTION OF OUR READERS IS CALLED TO MR. C. SPENCER'S SALE THIS MORNING.

WE BELIEVE THAT HOME ENTERPRISES SHOULD BE FOSTERED BY EVERY COMMUNITY, EVEN WHEN THE RESULTS OBTAINED MAY NOT BE QUITE EQUAL TO THOSE OBTAINED ELSEWHERE, BUT WHEN WE CAN BETTER AT HOME THAN ABROAD THERE IS EVERY REASON WHY WE SHOULD PATRONIZE LOCAL INDUSTRY AND ENTERPRISE.

In this connection we notice the unexpected success of the shirt made by the Louisville and Nashville Shirt Co. of this city. Though it has been in operation only about eight months it already gives evidence of its ability to do "thirty times." They turn out better work than can be bought in the stores, and their shirts are made from measure and warranted to fit.

WORLD'S FAIR, LONDON, 1862.—The high premium list awarded for the Fair, and the list of exhibitors, is now published by the World's Fair, recently held in London, England, with all other sewing machines in competition. This result was not unexpected, as the quality of the goods is well known, and is still highly complimentary to American goods, and a triumph more noteworthy considering the fact that the goods were made in England. This marked recognition of our goods, only adds to its prestige, confirming, as it does, the numerous awards here, but should satisfy the public that if any sewing is done, Wheeler & Wilson's is the machine to do it.

The removal of Mr. E. Bamberger to New York seems, to the extent, to have created an impression in this community that the well-known firm of E. Bamberger & Co. was to be dissolved. This impression is erroneous. On the contrary, the removal of Mr. E. Bamberger to New York was solely intended to give their old-established house additional facilities for the purchase of staple and fancy dry goods, to which Mr. E. Bamberger's partner, Mr. J. A. Maryman, will devote his whole attention, whilst Mr. E. Bamberger, his partner, will, as usual, conduct the business in this city. The house will, by this arrangement, be enabled to offer to their many customers, and to the trade in general, such strong inducements as will not be excelled by any other house in this city.

"We presume"—The rush at J. M. Armstrong's great clothing house, on Main street, opposite the National, the last few days, "we presume," is in consequence of the reduction in the price of his men's and boys' clothing.

The general introduction into the army will save the lives of thousands of our soldiers.

We, the undersigned, have seen the good effects produced by the use of Dr. J. B.
